WARRANTS

Lacy asked Mark why the cost of the fire department power bill was as high as it is. Mark explained possible charges and stated that he would talk to Marty. Nancy asked for clarity on approving warrants through email. Jon asked Mark if he had approval for the school warrants by at least two members of the finance committee. Mark confirmed he did have approval. Mark stated that people who are furloughed are not receiving a check from this warrant.

BOARD OF SELECTMEN COMMENTS

Nancy asked Mark if there was anything discouraging the public from coming to the Town Office. Nancy suggested encouraging the community to conduct Town Office business online in order to maintain social distancing. Mark stated he is happy with the cash flow occurring over the past month. Mark stated that for the most part the Town Office has been open during regular hours. Berndt stated the road crew has been doing a great job. Berndt asked if there is anything that could be don't to urge the community to shop locally. Nancy stated she supports actions to support local business. Joe reported that the Maine Summer Camp Association had a teleconference with towns and are undecided about opening.
