RE: Legal Services for the Elderly

Dear Town Manager/Administrator:

As you may already know, Legal Services for the Elderly ("LSE") provides free legal services to socially and economically needy Maine residents over the age of 60. We are a nonprofit organization, and we have been in existence since 1974. If you would like more information about our organization, I invite you to visit our website at [www.mainelse.org](http://www.mainelse.org).

**We provide free and confidential legal services to Maine residents age 60 and older. We also provide Medicare and Medicare Part D assistance to low income Mainers of any age.**

I have enclosed five information cards about the common types of legal problems faced by Maine seniors along with information about how to reach LSE. Also enclosed is information about our Medicare Part D Appeals Unit. I hope you will make this information available in the Town Clerk's Office and provide it to law enforcement personnel and others in your Town Administration who are in a position to help needy residents. It would also be of help if you would include information about LSE on your town website. Also enclosed are five business cards for LSE's Legal Helpline, which is open for intake calls from 9:00 A.M. to 12:00 P.M. and 1:00 P.M. to 4:00 P.M. Monday through Friday except for holidays.

If you would like more copies of any of this information, or if you have any questions about our services, please do not hesitate to contact me at 620-3114 or at [jrandall@mainelse.org](mailto:jrandall@mainelse.org).

Very truly yours,
