The Friends of Starling Hall want you to please consider donating to the renovation of Starling Hall TODAY!

Can you contribute \$1,000.00 _____, \$500.00 _____, \$100.00 _____

or any other amount _____!

Every contribution helps us win matching grants to pay for the expenses listed above and more work to come. The goal for this building when renovations are completed is for it to be used as a Community Center for everyone to use. One that meets today's life and safety codes and will stand the test of time for many years to come.
